## NIGHT LIFE

### **JAZZ AND STANDARDS**

#### **Buster Poindexter**

Bearing a striking resemblance to the proto-punk singer David Johansen, Poindexter brings his louche charm, biting wit, and encyclopedic knowledge of American blues and pop to what has quickly become his new home away from home. He's a raspy-voiced charmer who works this tony room like it's a funky beer-and-ribs joint. (Carlyle Hotel, Madison Ave. at 76th St. 212-744-1600. Jan. 26-Feb. 6.)
