NIGHT LIFE

JAZZ AND STANDARDS

Cheyenne Jackson

Making his Café Carlyle début, the likable television and stage personality presents “Eyes Wide Open,” a rumination on the vicissitudes of romance, as expressed through songs by Louis Armstrong, Lady Gaga, and other artists. There will be something for everyone. (Carlyle Hotel, Madison Ave. at 76th St. 212-744-1600. Jan. 13-24.)
