Judy Collins

MUSIC

CABARET & STANDARDS

Critics' pick

A folk-pop icon since the '60s, Judy Collins has a way of wrapping her pipes around any song and turning it into gold. Collins sings with a radiant decency that verges on holiness—in a good way—and uses her voice like a fine crystal vessel: to elevate and beautify but also to expose. Now she returns to the Carlyle for what has become a biannual engagement.
